MCENROE VOICE & DATA PRESIDENT HONORED WITH BRAVA CEO AWARD

HUNT VALLEY, MARYLAND – MAY 6TH, 2011 – McEnroe Voice & Data President, Kathleen Del Monte, was nominated and selected for the Brava CEO Award, which recognizes the top 25 female CEOs in the Baltimore Metropolitan area for 2011. These dynamic women embody the best in entrepreneurial spirit, passion, success, and philanthropic focus in their cities. The 25 Brava CEO winners are responsible for running companies that collectively generate \$800 million in revenue and manage more than 4,600 employees in the Greater Baltimore area. The industries range from health care and technology to legal and non-profit. The Brava award winners will be recognized on Wednesday, July 13, 2011 at the American Visionary Arts Museum.

With offices in Baltimore and Northern Virginia, McEnroe

Voice & Data installs and services business telecom system throughout Maryland, Southern Pennsylvania, DC, and Northern Virginia. Their in-house technicians and engineers design and implement systems unique to each customer's needs. McEnroe specializes in single and multi-site telecom networking that includes, but is not limited to, non-profits, law firms, car dealerships, government contractors, and medical offices.
